Keighley Third Age Group is part of the University of the Third Age, a national body which aims to provide opportunities for retired people to meet and share their **interests** in a variety of ways, extending their minds and understanding by mutual help and stimulation.

As our membership has grown, so has the range of activities: a look at our list overleaf will show what they are. Most were begun by a few members with a common interest coming together, starting a group and inviting anyone interested to join, for it is interest in a subject and a readiness to make a contribution to the group's activity based on one's own experience in life that makes a group successful. To encourage this we try to make our groups informal and friendly, often meeting in members' homes, sometimes in larger rooms if growing numbers necessitate it. We are not too concerned with 'economic numbers', our success depends on mutual help.

Some of our members feel themselves able and ready to offer their services in organising groups and leading them in studies. Some of our activities need a member rather more versed in a subject to help the studies and direct the interests of the group. If you can help in this way you will be especially welcome, in fact, a number of our groups have been initiated by such a member.

Our meetings are mostly held during the day and once or twice a month there are general meetings, so that matters of general interest may be raised, and members of different groups may meet one another. The yearly subscription (currently £5) entitles a member to join any number of groups, though at each meeting there is a small contribution of 50p towards the Keighley TAG administration cost.

The monthly meeting in the TEMPLE ROW CENTRE, TEMPLE ROW, OFF RUSSELL ST, KEIGHLEY. is £1.00p. MEMBERS NON-MEMBERS ALSO £1.00

For further information on the various groups please contact the members overleaf or our web site on <http://www.cyder18.pwp.blueyonder.co.uk>
